Moody-1 & FTP release of *WORLD Radio News* ends after June 14

The *WORLD Radio News* that has been distributed via ftp.moody.edu and Moody-1 will end after June 14.

In a restructuring move designed to stabilize operations, *WORLD Radio News* will go from six daily newscasts down to three daily newscasts. WRN is also moving access to these newscasts in-house at WORLD beginning the week of June 17.

WRN Executive Producer Paul Butler explains, “We are finalizing our own delivery system for our three newscasts a day starting the week of June 17th for stations who are interested in continuing with us.”

Butler explained further, “Once we get those specifics nailed down ... we’ll (arrange to) send out a follow-up email to affiliates about that.”

Butler added, "I am grateful for the nearly two-year partnership with Moody Radio that allowed WORLD to reach radio audiences across the country with its mission of Biblically objective journalism."

WORLD Radio News first began distributing four, daily 3-minute newscasts in July 2022 and expanded to six newscasts per weekday in September of that year.

Beginning June 17, the three WRN newscast delivery times will be:

#1 – 3 a.m. ET

#2 – 9 a.m. ET

#3 – 4 p.m. ET

For Moody Radio affiliates that have been airing **WORLD Radio News** via Moody-1, the content will be replaced with short feature material (to be announced - soon). In addition, the current Moody-1 Network Relay schedule will remain intact for the affected top of the hour Mon-Fri segments at 5:55 a.m., 7:55 a.m., 9:55 a.m., 12:55 p.m. 3:55 p.m. and 7:55 p.m. CT.

Please watch for further emails with additional details in the first half of June.
