**Finding Hope in the Valley: How *Treasured Truth* Transformed Listener’s Darkest Days**

Programs like *Treasured Truth* are touching listeners like yours every day! David, a Moody Radio listener, shares:

“Pastor Ford’s series on Psalm 23 has been a huge encouragement to me as I am currently walking through a very dark valley in my life. My grief, fear, and despair have been overwhelming, but Pastor Ford’s messages on Psalm 23 have helped me look at the situation in a totally different light. Knowing that my valley ISN’T a dead-end or a cul-de-sac has given me such hope! In fact, I have shared some of the truths from these messages with a few other Christian friends who are also going through some tough times themselves. Thank you for this ministry! I pray for the richest blessings on Pastor Ford and the rest of the *Treasured Truth* team!”

## **New Releases from Moody Publishers**

---

Check out these brand-new books from our friends at Moody Publishers. All authors are available for interviews. See below for more information.

### ***Goodbye Hiding, Hello Freedom* by Morgan Krueger**

Healing for the brokenhearted and freedom for those bound by shame.

After Adam and Eve sinned in the garden of Eden, instead of running to God, they ran for cover. They felt the weight of their sin. They felt ashamed. And they didn't know what else to do but to hide. Do you know what it's like to feel stuck in the cycle of shame?

In *Goodbye Hiding, Hello Freedom*, Morgan Krueger invites us to experience redemption, freedom, and hope in Jesus Christ. Through personal stories and biblical wisdom, Morgan offers encouragement to every soul who has ever felt disqualified from the abundant life God has for her because of her past.

This book was released September 3, 2024. For interviews with author Morgan Krueger, email [Christianne Debysingh](mailto:Christianne.Debysingh@moodyradio.org).

### ***Still Standing* by Lina AbuJamra**

The Christian life is marked with great suffering. We live in a fallen and broken world full of disappointments and the loss of dreams. And there is a cost to following Christ—often painfully felt in close relationships.

In her book *Still Standing*, Lina AbuJamra shares how God’s refining process makes Him bigger in our hearts and transforms us into people who are like Him. Our pain can lead to despair and bitterness, or it can make us more like Jesus. But we must be willing to undergo the refining process—and this hurts.

This book was released September 3, 2024. To interview author Lina AbuJamra, email [Janis Backing](mailto:JanisBacking).

### **2024 Fall Satellite Sun Outage Forecast | October 1-10**

---

With the onset of fall, it is time to prepare for the upcoming fall satellite sun-outage schedule that may disrupt your programming. This occurrence happens in the spring and fall when the satellite transits the sun’s disk for a few minutes each day over a period of several days across the United States.

The Moody Radio satellite channels (Moody-1 and Moody-2) on SES-2 (87-degrees West Longitude) Transponder 23C will experience the first outages of the season around October 1, 2024. Fall satellite sun outages may run through Oct. 10, 2024.

Download the following Tech Specs sheet for details, which also includes our Moody Radio (Moody-1) Emergency Back-Up Emergency Stream IP addresses.
