Moody Radio: This Just In

Last Minute Easter Special for 2024 from *Open the Bible*

Adapted from Colin S. Smith's book, *Heaven, How I Got Here*, *Open the Bible* originally released the Easter radio drama, *Heaven, How I Got Here* in 2015. This two-hour radio drama updated for 2024 is a first-person fictional account of the conversion of the thief on the cross, as read by the actor Stephen Baldwin. A riveting production complete with music bed and sound effects, the program will focus listeners on an important reality: that it is by grace alone, through faith alone, that we come into a personal relationship with Jesus Christ.

It should be noted that the daily version of ***Heaven How I Got Here*** is scheduled to air on all stations (including Moody-1 and Moody-2) releasing the regular daily 25-minute version of ***Open the Bible*** the week of March 25-29 (i.e., Holy Week).

This 2 x 54-minute hour version of the special is only available from the Next Level Insights FTP site.

Producer's Note: This special has been repurposed for airing in 2024 as a two-hour special no later than Saturday, March 23 due to content and the context thereof not making sense if it airs anytime past that date.

Clearance: This Easter special is available free of charge to any radio station.

If you plan to air ***Heaven How I Got Here***, please email Rob Hansen at rhansen@NextLevelInsights.com to make the producers aware!
